

RELEASE & WAIVER

WAIVER: I know that running and walking are potentially dangerous activities. I should not participate in this program unless I am medically able and properly trained. I also know that traffic will be on the course routes. I assume the risk of running or walking in traffic. I also assume any and all other risks associated with participating in the program including, but not limited to falls, contact with other participants, the effects of weather, including heat and/or humidity, cold, wind, snow, rain, or ice and the conditions of the roads, all such risks being known and appreciated by me. I understand that I am solely responsible for my own safety while traveling to and from or participating in this program. To ensure a safer environment for myself and all other participants, I will not wear headphones, or run or walk with a baby jogger or a dog. Knowing these facts and in consideration of you accepting my entry form, I hereby for myself, my heirs, executors, administrators or anyone else who might claim on my behalf covenant not to sue, and waive, release, and discharge Eladio Valdez III, Garry Gribble's Running Sports, or any sponsor or contributor to this program, any race officials or volunteers, their representatives, successors or assigns, from any and all claims of liability for death, personal injury or property damage of any kind or nature whatsoever arising out of or in the course of my participation in this program. The Release and Waiver extends to all claims of every kind or nature whatsoever, foreseen, known or unknown.

WHAT PEOPLE ARE SAYING

There is **NO BETTER WAY TO TRAIN** for a race of any distance. I've heard so many success stories over the years that I have been involved in Runners Edge. Coach Eladio prepares you for any length of race safely and effectively. It makes it fun to get up on a Saturday morning, and I have made lifelong friends in this group. » **LISA GORSUCH**

Runners Edge has been **THE BEST DECISION** I've made for my running and health. Since joining, I've achieved my personal best in a 5K, lost over 25 pounds, and have maintained a healthier, stronger, and faster running body than ever before. Eladio is the most knowledgeable running coach I've had the opportunity to work with. His invaluable insights on injury prevention, nutrition, and racing strategies have taken my running to the next level. The group keeps me motivated and combines a fun atmosphere and awesome courses in the KC Metro Area. » **DAN SCHWARTZ**

There is no other running group where people **CARE MORE ABOUT YOU**. Eladio is always there for you and cares very deeply about all his members. We are so lucky to have him. » **BRYAN ROARK**

I am so grateful to have discovered running and Runners Edge. I belong to a group that shares a love of running and that **RESPECTS AND ENCOURAGES** each other's efforts. Saturday morning runs have become a favorite part of my week. » **SUSAN MCCARTHY**

I would highly recommend Runners Edge to anybody. Saturday long runs are planned out and include warming up, hydration stations, and pacers. It makes for an amazingly stress-free run. Everybody is rooting for you whether it's your first 5K or 20th marathon. So much encouragement that **YOU CAN'T HELP BUT HAVE FUN**. You don't have to be a serious runner to be part of the group. With distances starting at 2 miles and pace groups up to 14 minute pace, you can always find a group to run with. There's also a great emphasis on injury prevention and how to take care of your body. What good is it to train for several months only to be derailed because you didn't stretch properly or rest? » **STEVE JOHNSON**

I would recommend Runners Edge to anyone that is looking for a group to run with. It is **GREAT FOR BEGINNERS AS WELL AS VETERAN RUNNERS**. It is different from other groups because there are pacers to warm you up properly so you aren't at risk for injury! There are also useful clinics in various topics! One of the best reasons though is the camaraderie with other runners! It is a great group and it can help you meet your goals, or just maintain your fitness level! » **KRIS BETHAY**

If you sign up for Runners Edge and commit to its programs, I guarantee that you will **TRANSFORM YOUR RUNNING** goals beyond what you currently believe is possible. » **CHRIS BENJAMIN**

Eladio's schedules and knowledge can help you overcome any problem, injury, or first time nerves and help you have a successful race no matter what your goals are. My favorite thing is the support I get from my pace group. They are there for me to share good and bad - my therapy. This group not only helps me **KEEP MY BODY HEALTHY BUT ALSO MY SOUL**. » **RENEE WEILBAKER**

I joined Runners Edge 10 years ago. With its Saturday long runs, Speed Sessions, Strength, and Mobility Classes, you can sign up for just one activity and still feel **WELCOME**. Runners Edge is truly a family of **RUNNERS WITH ALL ABILITIES**, ages, shapes, and sizes. Give it a try! » **JENNIFER EVERETT**

FOR RUNNERS AND WALKERS OF ALL ABILITIES

TRAIN FOR A
» HALF-MARATHON,
» MARATHON,
» ULTRA MARATHON

OR GET IN SHAPE FOR A
» 5K OR 10K

KANSAS CITY'S PREMIER RUNNING
GROUP & ONE OF THE LARGEST AND
MOST SUCCESSFUL
training programs
in the Country!

Celebrating OUR 20TH ANNIVERSARY!

OUR MISSION

Now in its 20TH YEAR, THE **RUNNER'S EDGE** Training Program has evolved into a highly effective and positive way to train. Whether you are a beginner or veteran, you will benefit from the experience of Coach Valdez, the mutual support and camaraderie of fellow runners and walkers, the convenience of marked courses along with aid stations, and the structure of training schedules to help you achieve your dreams.

Simply put,
you'll either

GET OR STAY IN
GREAT SHAPE AND
HAVE FUN
DOING IT WHILE
MAKING SOME
LIFELONG FRIENDS.

THE COACH

As running coach and director of this program for over 20 years, Eladio Valdez III has helped hundreds of runners and walkers complete their goals. As a runner for 30+ years, he has completed many 5K's to marathons along with 3 Boston Marathons including the 100th in 1996. His education includes Bachelor's Degrees in Exercise Science and Health Education at the University of Kansas.
